

Jesus used the words "follow me" several times when He taught. As a follower of Christ, what does that mean? What does it look like to follow Jesus?

### STUFF TO TALK ABOUT!

1. The Bible tells us that we are changed when we decide to follow Jesus. We become a "new creation" (2 Corinthians 5:17). What does that mean to you?

2. We are changed through the Holy Spirit, but we still have to make good choices. Is there anything you regularly say, think, or do that needs to change? (Parents, make sure to share your struggles, too!)

3. It can be hard to follow Jesus when your friends are making bad choices or they tease you for your faith. Kids, how can your parents help you be strong? Parents, how can you help your kids?
