

To follow Jesus well, it's important to answer the question, "Why Am I Alive?" As we grow in our faith, we learn to understand that we have been created by God for a purpose.

STUFF TO TALK ABOUT!

How is your personal relationship with the Lord? To know God is more than knowing about God; He desires an intimate relationship with you, which is why He sent His Son, Jesus. Spend some time discussing what this means. For more resources on how to discuss salvation with your children, go to tabernaclebaptist.org/kids.

Why does it matter how you act and what you say? Does your attitude help others know God? Parents, share a time when your actions or words either helped or hurt your witness for Christ.

LET'S DO SOMETHING!

Do you have friends that don't know about Jesus? Make a list of 2-3 names and pray for them several times this week.

NEXT WEEK'S LESSON:
Who is God?

OUR PURPOSE IS ...

TO _____ GOD

TO _____
OTHERS

TO _____
OTHERS KNOW GOD

We need a healthy relationship with God and healthy relationships with others. Connect the dots of the triangle. Next, write your name in one box. Then, write, "God" in one box and "others" in the last box. Discuss what this means.
