

Without a clear view of our Creator, it can be hard to follow Jesus. It is very important to understand who God is.

STUFF TO TALK ABOUT!

OPEN YOUR BIBLE

The Witness of Creation

Psalm 19:1

What does that mean?

What does this verse teach us?

God is Everywhere

Matthew 28:20

Because God is everywhere, how does that encourage us to pray?

God is All-Powerful

Because God is all-powerful, we can trust Him.

What are some things that are different this year than last year?

Do you look the same as you did a few years ago? Do you act the same? Although some change is good (like growing up), change can also be hard and unpredictable (like the changes from COVID).

Remember - God never changes. We can trust in God and His promises because He has always been the same and always will be the same.
