

God is three persons in one - God the Father, God the Son, and God the Holy Spirit. It is important to grow in understanding of who the Holy Spirit is.

#### OPEN YOUR BIBLE

##### Jesus and Nicodemus

John 3:3

Have your child find the phrase "born again."

##### The Holy Spirit Promised

Acts 1:8

Have your child find the word "power."

#### STUFF TO TALK ABOUT!

1. How can a person be born again? As Nicodemus pointed out in John, chapter 3, we can't physically be born again, but we can be transformed by the Holy Spirit. Our old way of living dies and a new way of life (through Christ) is born.

Parents, share your personal story of transformation. How has Christ changed you?

2. When a fruit tree is planted in fertile soil and gets plenty of sun and water, it will eventually grow fruit. When we dig deep into God's Word and seek to know more about the Lord, we will eventually grow spiritual fruit. We won't have bananas hanging off of our arms, but we will act differently than the world around us. Discuss what this means.
