

From the beginning of time, God has spoken. He created the world by speaking. He spoke to the first man and woman. And today, God speaks to us through the Bible.

OPEN YOUR BIBLE

2 Timothy 3:16

STUFF TO TALK ABOUT!

1. When a package is delivered to your house, do you think that the delivery person is the one responsible for the package? (Of course not!) In the same way, God used the "writers" of the Bible to deliver His message so that you and I could follow Him. How can our perspective change when we realize and remember that the Bible contains the words of God?

2. How do you go about making the Bible a part of your daily life? Do you snack or do you feast on God's Word. Do you need to start a habit of consuming God's Word on a regular basis?

POINT #1 The Bible comes from _____.

POINT #2 God used _____ to write down His words.

POINT #3 The Bible can _____ you.

POINT #4 The Bible needs to be _____.

LET'S DO SOMETHING!

As a family, identify two areas of service in the church where God can use you. Can you host a Backyard BBQ or a Backyard VBS? How about serving together on a family work day or donating supplies for MERGE or VBS?
