

Lesson 6

What is the Bible?

“He that holds a Bible in his hand should remember that he holds not the word of man, but of God. He holds a volume which not only contains, but is God’s word.” **J.C. Ryle**

WHAT OPINIONS OF THE BIBLE DO PEOPLE HAVE NOWADAYS? WHAT ARE SOME MISUNDERSTANDINGS PEOPLE HAVE REGARDING THE NATURE OF SCRIPTURE? WHY IS IT IMPORTANT THAT WE VALUE GOD’S WORD?

In this lesson, we will seek to strengthen our commitment to God’s Word by examining five important truths about the Bible...

1. The Bible Comes From _____.

2 Timothy _____

2. God Used _____ Instruments to Deliver the Bible.

Have you ever heard someone attempt to discredit God’s Word by saying something like this – “Men wrote the Bible. It isn’t really that special”? I myself have heard people say such things from time to time. The argument may seem incriminating at first; however, it actually contains a kernel of truth that lifts Scripture to an exalted plane. The Bible is quite special because of the way in which the Lord used men to write it.
